Google Plus & How it Benefits The Ham Radio Community By Jim, VE4SIG

Date: Monday, January 14, 2013

Time: 7:30 PM

Place: Dakota Collegiate - See you there!
661 Dakota Street (At Beliveau Rd.)

The President's CQ By Garth, VE4GWB

HAPPY NEW-YEAR!!! Welcome to 2013. So the world didn't end in December and we are all still here. A little cold but this is Winterpeg and we can take it. So while it is cold out start getting those winter projects done for the April WARC meeting Home Brew night.

As I write this I am one simplex contact away from completing the Worked All Winnipeg log to get ready to hand into Dick VE4HK, have you got yours done?

We are engaged in another raffle to be drawn at the Spring Flea Market where the prize is the winner's choice between a nice handheld transceiver and \$500 in cold hard cash. If any members of WARC would like a book to sell to hams, family or friends you can contact me via VE4WPG repeater or email me at and I will make arrangements to get a book to you. The funds raised in the raffle will be used to cover the increased insurance that we have had in the last few years to keep the membership cost as is. Aside from the insurance there has been other expense increases over the last little bit. To all that have bought tickets so far, we thank you for your support.

Other Important Dates...

Education Report

By David, VE4DAR

No one in WARC's Education Team is "on strike," nor will you find our team penalized for "delay of game!" We've been busy, preparing to have two new Basic Short Courses in January.

Roger VE4RLF and I met with Rob Striemer VE4SHS to plan courses for Shaftesbury High School. Next, I ran a workshop to prepare five new instructors. Then we oriented all instructors to the new course and gave them teaching assignments. And on Nov 24th, Rolf VE4VZ shared his practical experience with 10 new hams.

Recently, thanks to donations from Prairie Mobile, Probe Industrial Electronics, and Micro Hightech, we assembled display boards of electronic components for Shaftesbury High School. Thanks also go to Lawrence VE4SS, Henry VE4AUT, and Mark VE4MWH for their assembly work.

Registrations for the Basic Short Courses at the Seniors and Shaftesbury High School opened and have started to come in from as far as Winnipeg Beach and Wanipagow. However, registrations will close on Friday, Dec 21, to give us time to order and distribute the textbooks before the courses begin. That way students can do pre-course assignments such as memory work.

Everyone have a safe and happy holiday season. Best wishes for 2013.

David Rosner VE4DAR
Chief Instructor.

Who Will Be Next?

By David VE4DAR

I'm always interested to see who signs up for our radio courses. When WARC decided to focus on youth in March 2005, I organized the "Amateur Radio Demonstration" for Cubs and Scouts in the Maples. Kent VE4KEH, Ed VE4YU, Aruni VE4WMK and I gave an overview of our hobby and demonstrated various equipment. Next, we had two classes for Air Cadets, one at the Seniors and one at Red River College. It was no surprise that those classes consisted mostly of cadets and their officers. Some of us helped with the Win Cube project for high school students in the Fall of 2007.

Basic Amateur Radio Courses at Red River College attracted a spectrum of ages and backgrounds. I recall a father and son, and a mother and her son. Some were students who had tried earlier but couldn't mas-

ter CW, which is no longer a requirement for the ticket. Others were retired folks now with time to do the course. We even had one accelerated class for RRC students enrolled in electronics. And then the well began to dry up; we had to cancel several planned courses due to insufficient registrations.

Our return to the Seniors enabled a reduced registration fee. Basic 5, the last of the long courses, attracted a keen group of students. Many of them are very involved in our hobby today; some in leadership roles. Basic Short Course 1 and 2 appealed to the young (11 years) and seniors; Winnipeggers and folks from as far as Winkler and Komarno.

However, now I'm a little concerned. With BSC 3 and SHS 1 starting on January 12 and 19, our total enrollment is only 16 students. We still have lots of room. You can email ve4dar@yahoo.ca for more information about our Basic Short Courses or the registration forms. Let's hope we haven't encountered another dry well!

WARC Radio Raffle

By Garth, VE4GWB

WARC is once again holding a Radio Raffle to cover the cost of the club's RAC insurance and other increasing expenses. The winner will be able to choose between the brand new Icom ID51A Handheld VHF/UHF D-STAR ready transceiver with built in GPS (Due to be released in the spring 2013), or \$500.00 CASH. This will make the raffle appealing to both hams and non-hams alike.

Tickets are \$5 each or 3 for \$10 and can be purchased from Garth VE4GWB, Mark VE4MAB, Glen VE4GWN, Dennis VE4XE, Dick VE4HK, Allan VA4AJG, and Rob VE4RCJ as you run into them at meetings, coffee. Tickets are also available at ...

Micro-Hightech Communications @ 197 Leila Ave.

Draw to be held at Noon, April 14, 2013, at the Spring Flea Market! Thank you and good luck in the contest!

Winnipeg ARES
Jeff Dovyak VE4MBQ
 ve4mbq@rac.ca

Derrick Saedal, City of Winnipeg Public Works Emergency Coordinator / Supervisor of Underground Structures gave us a very interesting presentation at our December General Meeting "Role of Public Works in Emergency Management". Welcome to Mark Havens VE4MWH who recently joined Winnipeg ARES.

WARC Spring Flea Market

Now that Christmas and New Year's is finally over, it is time to grab your brand new 2013 wall calendar, and/or your PDA.

Step 1....open the calendar to the month of April
 Step 2....look at the picture at the top of the page
 Step 3....find your best pen
 Step 4....use your best pen to mark Sunday, April 14 for the WARC Spring Flea Market
 Step 5.....Anxiously await the most important social event of the spring season

Yes, the WARC Spring Flea Market 2013 will be on us before we know it. Plan to be at Heritage Victoria Community Club, 950 Sturgeon Road, when the doors open at 9:30 am.

Do you appreciate fine gourmet dining in a first class restaurant? Then, you will be certain to enjoy the delicious treats to be had in Ruth's Kitchen. Expect delectable muffins, tasty bunwiches, and world class coffee. Truly, food fit for a king! Along with the wonderful food, everyone will have the opportunity for relaxing eyeball QSO's with friends, while anxiously awaiting the doors to open for buyers at 10:30 am.

Admission is unchanged at \$3.00 per person. Please bring exact change to speed things up at the door. Also, be sure to mark your call sign on your admission ticket, before you toss it into the can. You could win a nice prize.

Do you have a pile of stuff, cluttering up your ham-shack? If yes, better phone Ruth VE4XYL 204-837-6915 or ve4se@mts.net to book a table. Tables are \$5.00 each for WARC members and \$10.00 for everyone else.

Fill your car with friends and visit the WARC Flea Market, April 14, 2013

Dick Maguire VE4HK
 Flea Market Coordinator

We are now recruiting ARES operators for the Klondike Derby 2 & 3 MAR at Camp Amisk. This is an eight hour event outdoors each day regardless of the weather. If interested please contact me asap. There is a particular Scouts Canada Volunteer Code of Conduct to read and then sign before you can be registered for this event.

Our January General Meeting will be TUE 22 JAN 1900h at Sir Wm Stephenson Library 765 Keewatin Street. A representative from Community Collaborative Rain, Hail and Snow (CoCoRaHS) Network will be giving us a presentation on their network. Please note this is the 4th Tuesday of the month not our usual 3rd Tuesday of the month.

Manitoba Marathon
Jeff Dovyak VE4MBQ
 ve4mbq@rac.ca

The 2013 Manitoba Marathon will be SUN 16 JUNE. If you volunteered last year we'd like you back for the 35th anniversary Marathon. If you are a new Amateur we will pair you up with someone who has done the event previously.

The 2013 Amateur Radio Group Volunteer Briefing is TUE 11 JUNE 1900h Norwood Community Club 87 Walmer (Map 17 C8 in the Sherlock map Book). Although the briefing starts at 1900h we will begin distribution of race information, documentation, volunteer t-shirts and pre-arranged equipment loans at 1815h. If you register as an Amateur Radio volunteer and cannot attend the 11 JUNE briefing please let us know in advance who will be attending to pick up your briefing materials and volunteer t-shirt. There will be an additional Medical Team briefing on another date for those assigning to the medical side.

It is greatly appreciated if the completed volunteer registration form is returned to me via e-mail (saves lots of re-typing), but it would be preferred if you register online thru the terrific form that WARC Web-Master Mark VE4MAB has set up at:

<http://winnipegarc.org/marathon.html>

For the 2012 Manitoba Marathon we had 81 Amateur Radio volunteers (85 would have been better). The sooner registrations are submitted the sooner we can start working on the 2013 roster.

We need a completed new registration form from each Amateur Radio volunteer every year regardless of what Amateur organization they belong to.

Photos from the WARC Christmas Party | By Mark, VE4MAB

British Columbia QSO Party 2013 ***2013-01-02***

Rebecca VA7BEC here. I'm contest coordinator at Orca DXCC and have the task of promoting the British Columbia QSO Party. The 2013 event is just a month away.

Date/Time: 1600z Feb 2 to 0400z Feb 3.

Objective: BC stations can contact anyone anywhere, while stations outside BC must catch the attention of BC stations.

Other details, including rules, exchange and multipliers, can be accessed from the BCQP homepage on the Orca DXCC website.

Visit <http://orcadxcc.org/bcqp.html>

If anyone is interested in how the 2012 event played out and hasn't read the report, it's here:

http://orcadxcc.org/content/bcqp_2012_report.pdf

BCQP 2012 was the first under Orca DXCC sponsorship and was, by all accounts, a tremendous success. The most encouraging indicator of progress, to me, was that the number of VE7/VA7s on the air tripled year-on-year, to more than 120 and more electoral districts were activated, 26 of 36. With more BC operators on the air and a deeper reservoir of multipliers to tap, along with a QSO boost from same-day QSO party activity in the US, more BC stations stayed on the air longer, which gave non-BC stations more opportunities for QSOs. BCQP 2012 was well attended and post-QP comments were very positive so we can assume that the 2013 event will be an active 12 hours as well.

Contesting is not for everyone, but the casual and friendly atmosphere of the BCQP presents merits for contester and non-contester alike.

- The slower pace allows newcomers to ease into the world of contesting and try out strategies without irritating operators who are only interested in a high score. Great practice for Field Day or a RAC contest.

- It's a chance to practice different modes without the pressure of an impatient pileup and to acquire familiarity with new logging software or remote operations.

- It's an excellent opportunity to hone operating and elmering skills. Whether amateur radio is used for emergency purposes, for ragchewing or for radiosport, it will not survive if we don't practice our skills and share our knowledge.

In addition to the fun factor and the learning/elmering opportunities, the BCQP offers tangible rewards: one-of-a-kind certificates -- different design every year --

and nice Orca trinkets for top scores. We have also introduced a plaque program, effective from the 2013 event, and have sponsors for four plaques: Top BC Score, Top Score in Canada outside BC, Top YL Score and Most Federal Electoral Districts Worked.

A(nother) whale of a good time awaits!

73

Rebecca VA7BEC
Contest Coordinator for BCQP
Orca DXCC

RAC Bulletin 2012-072E - ***Regulations Amending the Contraventions*** ***Regulations*** ***2012-12-22***

There has been an announcement in the Canada Gazette as to changes in the Contraventions regulations concerning the enforcement of the Radiocommunication Regulations.

These changes will allow peace officers including Municipal, Provincial and RCMP police officers to issue tickets for certain offences under the Radiocommunication Regulations. The changes may be seen at:

<http://www.gazette.gc.ca/rp-pr/p2/2012/2012-11-21/html/sor-dors236-eng.html>

Radio Amateurs of Canada is the national voice for Amateur Radio in Canada. Our efforts not only promote the Amateur Radio Service but protect it from regulatory interference that may lead to less capability to provide emergency communications.

Not already a RAC member?

Why not join today at <http://www.rac.ca> and find out about the many benefits our members enjoy across the country and the world beyond.

Bill Gade, VE4WO
Regulatory Affairs
