The President's CQ

By **Garth, VE4GWB**

Hello all. Burr-venber is back. Getting chilly but no snow yet. That's good. So get those antennas up and outside projects completed before it's too late.

Congrats to the grads of BSC 5 and good luck to BSC 6. Thank you once again to David VE4DAR for getting this last one going.

I hope to see you at the November meeting. Reminder that it is on November 18th as everyone will be honouring those who served on November 11th Remembrance Day.

On a side note to everyone with laptops and desktops. Do you back up your hard drive? I did with my last laptop but let it slide in April of 2011 when I acquired the new machine. Did my backup continue. No. It won't happen to me. Wrong. It did. The drive crashed, died, or just stopped working. So goodbye to all the pictures and music I've collected since 11'. Luckily everything before was saved on another laptop and external drive. And important docs were saved by Google Drive. Thank you Google Drive. So lesson learned. Be careful and make sure your important pics and info are backed up.

Our Vision

To increase public awareness and respect for Amateur radio; to provide education and support in all aspects of the hobby to our members in a social atmosphere

***WARC Meeting Minutes,
October 21, 2013
Taken by Doug, VE4TG***

President Garth VE4GWB called the meeting to order at 7:40 PM. Introductions by members, several new grads in attendance, some still waiting for call signs to be issued by IC including Rick, Dan, Darin and Talia.

Treasures Report

Bob VE4RCJ advised we began the month of September with a balance of \$7,410.33, an expenditure of \$77.17 with an income of \$647.23 leaving a balance of \$7,980.39 at the end of September. Handed out budget forecast for year. IRLP expense no longer an item, but now have to pay fee for WARC meetings at Dakota theatre. Motion by Bob that budget report be accepted, seconded by Dick VE4HK, approved by show of hands.

Membership Report

Ross VE4RWG reported numbers looking good, membership numbers similar to last year, membership cards are ready for distribution, new hams get free WARC membership for balance of year.

Flea Market

Dick VE4HK indicated exact number of attendees not known, Rolf won main prize of 100\$, Adam was able to clean out half of the cards accumulated in the QSL bureau. All tables were sold. Dick would like to thank all volunteers whose hard work and dedication made it a success with special thanks to Ruth VE4XYL and Tom VE4SE who also contributed coffee and muffin making ingredients.

The next flea market is April 13th 2014. Financially the club made 812.10\$ profit. There was a question regarding the size and space of the present venue, consensus was that location not be changed as it is well adapted to use and purpose.

Programs

Allan VE4AJG indicated that topics under consideration for immediate future are: Oct-Grounding for Ham Radio Operations, Nov-Marine Radio Operations, Dec-Xmas Party, Jan-presentation on Amelia Earhart aviation comms, February- Mesh Radio by William Parrizin(tentative). Presentations for balance of year to be determined.

Winnipeg ARES Report by Jeff VE4MBQ

Nominations for 2013-14 Winnipeg ARES Inc. Executive (President, Treasurer & Secretary) opened at the conclusion of the Oct Winnipeg ARES General Meeting – nomination close TUE 12 NOV.

Thirty-two ARES members and affiliates provided volunteer Amateur Radio communications for the WFPS Half-Marathon SAT 19 OCT – further report in next month's newsletter and should soon be some photos on Winnipeg ARES web-site. We have been asked to provide communications support for the Santa Claus Parade SAT 16 NOV – have a number of ARES volunteers signed up but no clear sense of what the event organizers want us to do.

Very successful fundraising operation at WARC Flea Market. Thanks to all donors & ticket purchasers, special thanks to co-chairs Craig VE4CDM and John VE4JNF – comprehensive report will be in next month's ARES Report. Our Annual General Meeting is TUE 19 NOV 1900h Sir Wm Stephenson Library 765 Keewatin St.

RAC

Derek VE4HAY reported that new members get free membership in RAC. There will be a regional teleconference webinar on 23 Oct. The VE4RAC callsign for winter contest has been allocated. The allocation of 60m frequencies is still an ongoing process, but the file has moved to the Minister's desk. Doesn't look like there will be a unique Canadian channel. There is a new band at allocation at 470kHz, exact details not known at this time.

Education Report by David VE4DAR

On Saturday, Oct 19, 15 Basic Short Course 5 students wrote Industry Canada's examination for the Amateur Radio Operator, Basic Qualification. Of the 11 who passed, nine got the Basic Plus level, which gives them access to HF bands. Several other students who registered, but were unable to attend classes, have been transferred to the next course.

Basic Short Course 6 begins on Saturday, November 2 at the Winnipeg Senior Citizens Radio Club. Registrations are now being accepted on a first come, first served basis. Course information and registration forms are available on the WARC website (winnipegarc.org). To date 7 students have registered.

DX

Report by Adam VE4SN, big news is 10m openings; the band was booming in at the Seniors this morning and may be open for some time to come. Adam contacted Republic of Congo by cw and advises looking out for other dxpeditions out there. Adam also indicated that Industry Canada issues new licenses on a first come basis which may account for the delay some new hams are experiencing. Rolf VE4VZ indicated 12m is open as well. There will be a CQ contest this weekend. Peter VE4TTH indicated there is a dxpedition in Mosambique looking for Canadian stations. Adam is still looking for NK.

New Business

Garth indicated that text books for Basic and Advanced levels are available.

Good & Welfare

David VE4DLA..

addressed the membership looking for volunteers to take on Ruth VE4XYL's job of providing snacks, coffee etc for WARC events. Ruth is willing to mentor new volunteer. Ruth will continue to sell flea market tables. A discussion then ensued regarding status of club income due to loss of funds from canteen sales at flea market if a replacement for Ruth cannot be found.

Subsequently there was a motion by David VE4DAR to raise entrance fee to flea market from 3\$ to 5\$, seconded by David VE4DLA, approved by show of hands.

Derek VE4HAY..

reported that the mesh radio system is now up and running at 65 Nassau, with 6 antennas operating at 2.367 MHz on 3.5 Meg channels. Contact Derek for radios.

Motion to adjourn by Glen VE4GWN.

WARC Fall Flea Market October 20, 2013

The Fall 2013 WARC Flea Market took place on October 20, at our favourite location, Heritage Victoria Community Centre. Approximately 190-200 were in attendance. There was a small problem with some people receiving each half of the double roll of tickets. One ticket should be given to the customer, and the other deposited in the attendance can. We do not know how often this happened.

There was a problem setting up the PA system. There was no sound coming from the speakers. After a lot of fiddling around, we found a hidden circuit breaker for the PA system was turned off. Once it was turned on, we were able to adjust the sound. I will make a note of this for my Critical Path.

All tables and chairs were set up just after 9:30. Vendors were ready to go by 10:30. Buying began at 10:30.

Prize draws were delayed slightly, but were completed at noon.

I spoke to most of the vendors, just before 11:30. Most had a very successful day. I also noticed a lot of attendees walking around with armloads of interesting items. Adam VE4SN our QSL Manager was very successful. He advised me that he cleared out a huge pile of QSL cards from his dead letter file.

All 30 tables were sold, and some people were on a wait list.

I made another major change for this and future Flea Markets. I assigned Robert VE4RCJ, the WARC treasurer to count the Vendor Door admission money, and later, the Admission Door money. This saved me over an hour, counting money.

Thank you to all the volunteers at the Admission and Vendor Doors, those who set up and took down the tables and chairs, those who looked after Ruth's Kitchen, and to all those who made the Fall Flea Market a huge success!

Thank you to the following volunteers

RAC Member Recognition Program (RAC MRP)
2013-10-21

In an effort to properly recognize our valued volunteers, a committee has been struck to manage the RAC MRP. We recognize that many of you have given tirelessly of your time on our behalf for many years, and it's time that we "put you on a pedestal" and say thank you.

Individual Award

Any full member of RAC is eligible to nominate a fellow member for a MRP award. All you need is to provide a short essay on why you think that your candidate is deserving. Send it along to one of committee members listed below.

Extraordinary Award

You may know of an individual or group that has gone above and beyond the call of duty. These folks will be recognized in a special way.

RAC Grants Awarded...

3 grants were awarded by RAC this year, with two of them going to students enrolled in courses that are technical in nature where the knowledge in Amateur radio will assist them in their studies. And one was awarded as a community grant to Shaftesbury High School in Winnipeg, who received a \$500 community grant to assist them to become the only permanent Amateur Radio ARISS Telebridge Station in Canada under the guidance of Mr. Robert Striemer, VE4SHS.

Look for more information on each of these recipients in an upcoming issue of TCA.

Winnipeg ARES

Jeff Dovyak VE4MBQ ve4mbq@rac.ca

Radio Amateurs of Canada announced 28 OCT that the recipient of the First ever RAC Member Recognition Extraordinary Award is the VE4WWO CANWARN Net Controller Team. Thirteen CANWARN Net Controllers volunteered for at least one week-long shift between Victoria Day & Labour Day. There will be additional information on the Winnipeg ARES web-site at www.winnipegares.ca The thirteen dedicated CANWARN Net Controllers are:

VA4AJG Allan Grant, VE4AJO Ellis Seddon,
VE4ALW Bill Simm, VE4CDM Craig Martin
VE4DWG Don Gerrard, VE4GKS Gerry Sherman
VE4GWN Glen Napady, VE4HAZ Harm Hazeu
VE4HK Dick Maguire, VE4JAH John Howells
VE4LDI Diane Perry, VE4STL Scott Lightfoot
VE4MBQ Jeff Dovyak.

The focus of our OCT General Meeting was the Volunteer Briefing for ARES Volunteers for the 2013 Winnipeg Fire Paramedic Service Half-Marathon. Thirty-two ARES members and affiliates braved a cool, damp SAT morning 19 OCT to provide Amateur Radio communications support for the event centered once again at Canadian Mennonite University in Charleswood and we had 3 volunteers in reserve at home. Thanks to Ian Boughton from Manitoba EMO for bringing out the EMO Emergency Coordination unit for us to use as ARES Net Control/Ski Patrol Dispatch. This was the first time that any ARES unit operated out of that vehicle.

Our volunteers were VA4s: AJG & RWT and VE4s: DWG, KEH, HAZ, JAH, DXR, GMT, HQ, DJS, CDM, SIG, JNF, CHT, DLA, GWN, YYL, KAZ, SBS, BOY, LIT, ANF, PH, PEH, SE, XYL, GKS, HK, MWH, APJ, AIN, PPG, JAL, MMG, MBQ and Jeffrey Kazuk.

Special Thanks to Tom VE4SE & Ruth VE4XYL for picking up the ARES Boler trailer and keeping at home in case the EMO vehicle was deployed last-minute on a provincial emergency and returning it to the EMSB on Monday after.

The 19/20 OCT weekend was a busy one for Winnipeg ARES because no sooner did we have to stow our gear from the WFPS Half-Marathon before it was time to put the finishing touches on our fundraising operation

at the WARC Flea Market coordinated by Craig Martin VE4CDM and John Foster VE4JNF.

Thanks to Craig Martin VE4CDM and John Foster VE4JNF for Co-Chairing the Winnipeg ARES fundraising Committee for the 2013 Fall Flea Market. While John was running around picking things up from our generous donors Craig was putting various donated items together into prize lots. "Table Help" included Craig VE4CDM, John VE4JNF, Rosi VE4YYL, David VE4DLA, Susan VE4SYM, Mariska VE4MMG, Glen VE4GWN and our newest member Gary VA4RWT.

There were seven prize lots, winners were:

1. Dick Maguire VE4HK
2. Mike Kadyniuk VE4KEM
3. Dick Maguire VE4HK
4. Judy Harapiak VE4JUD
5. Pete Haertel VE4PH
6. Walter Lipinsky VE4AKZ
7. Sharon Mooers-Henry VE4TN.

Thanks to our Silent Auction donors who included:

Randy Hull
 Irv Cosgrove VE4UG
 Ruth Mills VE4XYL
 Susan Collings VE4SYM
 Fred Collings VE4TRO
 Tom Blatch VE4HQ
 Sunday Satiada VE4SBS
 Lynn Satiada VE4LYN
 Dick Maguire VE4HK
 Mariska Maguire VE4MMG
 Rosi Napady VE4YYL
 Greg Bilinsky VE4GMB
 Kent Haase VE4KEH.

Winnipeg ARES will be supporting the Santa Claus Parade SAT 16 NOV under the supervision of Glen Napady VE4GWN. We are going to need at least 35 Amateur radio operators for this event. At press time details on date & location of the ARES briefing are still to be announced.

At the conclusion of our OCT General Meeting it was announced that nominations for the 2013-14 Winnipeg ARES Inc. Executive would close TUE 12 NOV. Our Annual General Meeting is TUE 19 NOV 1900h Sir Wm Stephenson Library 765 Keewatin Street. If the AGM Business Meeting concludes in good time expect to see a presentation on Call-Outs and Equipment".

Good Luck In The Contest

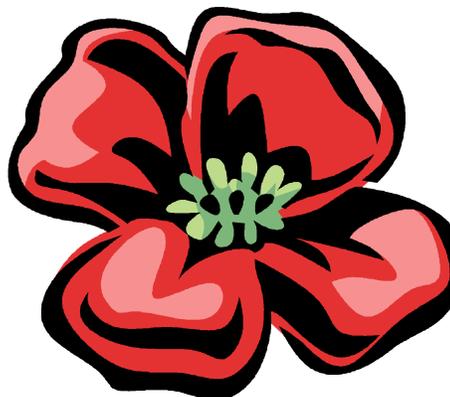

Remembrance Day Thank You
By David VE4DAR

We give thanks to those who died and to our Veterans for their service in the World Wars, Korea and in more recent engagements.

We give thanks also to those who served here in Canada: farmers and others who fed, clothed and equipped our overseas troops; and families who kept things going here and supported our loved ones.

And let's not forget the wounded, whose hurt persists in body, mind or spirit.

"Thank you" from all of us.

"Help!"
By David VE4DAR

"Help!" That's the desperate call from potential students waiting for the next WARC Basic Short Course. All that's missing is one or two Chief Instructors to take charge of an already designed course.

You don't have to be an instructor yourself, or even expert in our hobby. Just make sure things run smoothly, like...

Like, set the course dates; reserve the classroom; assign the instructors from a ready list; ask WARC to order the textbooks; advertise the course; register students; arrange for WARC's digital projector; and attend the first class.

Roger and I are retiring as Chief Instructors at the end of the current course. However, we are willing to share our knowledge and experience. Find a buddy and take up the challenge!

***News from the Winnipeg Senior Citizens
Radio Club VE4WSC Inc.
Submitted by Gil VE4AG
Vice President/Secretary***

Our most recent successful event at the Club was the great potluck luncheon we had, with 20 members, spouses and friends attending. The variance of foods available as a buffet were excellent, and everyone enjoyed a great feed. We hope to have another event like this early in the new year.

This is notice of our upcoming Annual General Meeting, to be held at the CanadInn-Garden City restaurant, beginning about 10 a.m. after the breakfast (all are invited to attend this before the AGM). Date is Thursday, November 14th.

Nominating committee head for the upcoming election of a new Board for 2014 is Ed Oakes, VE4OAK - please get in touch with Ed if you wish to stand for a Board appointment for a strong say in your club's activities. We are looking for a member to be Secretary, also one for Treasurer.

Tickets are still available for our annual Christmas Party at CanadInn Polo Park. For WSCRC members, spouses and significant other, subsidized price is \$15.00 per person; friends and visitors are \$18.00 each. We are limited to 50 for the private room, but others can be accommodated in the general restaurant area just outside the door to this room. The meal is a buffet featuring turkey.

Contact Gil, VE4AG (ve4ag@rac.ca or phone 204-888-2473) or purchase yours at the club. Cheques should be made payable to Gil Frederick, who is ticket sales accountant.
