Welcome Back Meet Your New Executive & Field Day Slide Show

Date: Monday, September 8, 2014

Time: 7:30 PM

Place: Dakota Collegiate - Theatre *See you there!*
661 Dakota Street (At Beliveau Rd.)

Greetings to the Membership By David, VE4DLA

I have the privilege of being President of the Winnipeg Amateur Radio Club for the next year and I look forward to seeing you all at our monthly meetings.

This year's executive has a few innovative ideas that we will be putting to the membership for consideration in the next couple of months, so please all come out to listen and vote on the various proposals.

We are hoping that this year we will increase our membership with new hams, returning old hams, and maybe the occasional smoked ham.

73 de VE4DLA
David Latour

From Your Newscaster Editor By Mark, VE4MAB

The Newscaster, the Official Publication of the Winnipeg Amateur Radio Club, is now being sent to the membership of the Manitoba Repeater Society providing the amateur radio community up to date information on the MRS repeater system.

Visit the Manitoba Repeater Society web site at ..

<http://www.mb-repeater-society.ca/>

Other Important Dates...

Newscaster: Deadline October 1, 2014

WARC: Monthly Meeting Dates...
October 21, 2014
November 10, 2014
December 8, 2014

WSC: 2nd Thursday of month
Breakfast - Garden City Inn

ARES: Tuesday, September 16, 2014
Sir Wm Stephenson Library
765 Keewatin Street - Flight Aware
Aircraft Position Reporting System

Other: Sept. 13, 2014 - FORX Flea Market
Oct. 19, 2014 - WARC Flea Market

WARC Executive for 2014-2015...

President	David Latour	djlatour@mts.net
Vice-Pres.	Ross Gibson	rossg@prefixservice.com
Treasurer	Bob Jacobs	rcjacobs@hotmail.ca
Secretary	Gerry Sherman	ve4gks@shaw.ca
Membership	Ross Gibson	rossg@prefixservice.com
Programs	Allan Grant	allangrant@hotmail.com
Past President	Garth Blumm	ve4gwb@gmail.com

"Eyeball QSO at the Arches"

Saturdays and sometimes Sundays
McDonald's—St. James and Ellice
0745-0930 hours

Start your weekend right!

Get together with your fellow hams, talk tech, and learn from others about the latest rigs.

Our Vision

To increase public awareness and respect for Amateur radio; to provide education and support in all aspects of the hobby to our members in a social atmosphere

***WARC Meeting Minutes,
May 12, 2014
Taken by Ross VE4RWG***

President Garth VE4GWB called the meeting to order at 7:41 PM.

Introductions by members, two potential future Hams, Greg and Nick were in attendance.

Minutes

President asked that minutes of May meeting be accepted as read, moved by Dick VE4HK, seconded by Glen VE4GWN. Approved by show of hands.

Treasures Report

Bob VE4RCJ advised we began the month of May: with a balance of \$ 8977.65
income of \$ 0.34
leaving a balance of \$ 8977.99
cheques cleared \$ 45.00
cheques outstanding \$ 100.00
actual bank balance \$ 8832.99
PayPal balance \$ 1410.20
Actual current balance \$ 10243.19

Membership

Ross VE4RWG reports that membership numbers are presently at 90.

Flea Market

Dick VE4HK reported that next flea market is 14 Oct 2014 at the usual location on Sturgeon Road. See Ruth VE4XYL for table rentals.

Winnipeg ARES Report

ARES Report by Glenn VE4GWN:
ARES meeting scheduled for last Tuesday of month, Marathon briefing will take place tomorrow night.

RAC Report

By President Geoff Bawden VE4BAW:
Have added three frequencies to ham bands over past year, Financially now in black after a decade of negative accounts, Membership now stable but needs to grow, Ham numbers are up, need to see related increase in RAC membership, Regulations for tower installations under review by IC, need to ensure hams don't get caught up in red tape aimed at cellular users,

Winnipeg is a hot spot for RAC, Every province now allows ham radio operation when mobile largely due to RAC influence,
Question from floor re: RAC vanity plates. Response: cost would be prohibitive due to low volume, Cary VE4EA complimented RAC on presence and performance at Dayton.

Education Report

By Vera VA4VMM: Basic class 8 starts Sept 27 and runs for 4 Saturdays. Vera will post info on club web site.

DX Report

Adam VE4SN reported that conditions are terrible. Nothing but static right now. Reports of some persons having DX success but contacts are rare.

MRS

Dick reported that Milner Ridge repeater is now OK. VE4WRS repeater experiencing problems with IRLP as well as computer issues.

New Business

Discussion was held re nomination of members to club executive. Doug VE4TG and Garth VE4GWB will not reoffer. Rolf VE4VZ and Gerry VE4GKS volunteered to serve next season. Moved by Derek VE4HAY that nominations be closed. Seconded by David VE4DLA. Approved by show of hands.

Motion to adjourn general meeting by Glen VE4GWN, seconded by Dave VE4DLA.

Presentations

The evening concluded with a presentation and general discussion of issues related to Field Day requirements and setup.

Discussions were led by Jim VE4SIG and Cary VE4EA.

Winnipeg ARES
Jeff Dovyak VE4MBQ
ve4mbq@rac.ca

Our JUN General Meeting featured de-brief discussions both for RCAF Run and the Manitoba Marathon, good discussion occurred regarding both public service events.

Overall the summer has been fairly quiet for Winnipeg ARES except for the Alert Net that was run mid-afternoon SAT 05 JUL during a Tornado Warning for Winnipeg. Our Telephone Fan-Out was activated and fourteen Winnipeg ARES members or affiliates checked-in. Fortunately there was no severe damage in Winnipeg. Thanks to Rosi VE4YYL for getting the phoning started while I was on the way to VE4WWO.

The following participated in the Alert Net:

VA4s AHG & RWT
 VE4s YYL, HK, RDO, VD, VZ, DLA, SIG,
 ACX, GWN, GMB, EIH, MBQ.

Our AUG General Meeting featured representatives from the WFPS Tactical Emergency Medical Support (TEMS) unit that provides EMS support to the WPS Tactical Unit – TEMS Paramedics are trained & equipped to work with police tactical officers inside the inner perimeter. Speakers were: P/SGT Shane Cooke, Medical Supervisor David Johnston and Advanced Care Paramedic Don Narine. Thanks to Randy Hull for facilitating the presentation.

Our next General Meeting is TUE 16 SEP, 1900h at Sir Wm Stephenson Library 765 Keewatin Street. Don Gerrard VE4DWG will be giving us a presentation on the Flight Aware Aircraft Position Reporting System.

2014 Manitoba Marathon
Jeff Dovyak VE4MBQ
ve4mbq@rac.ca

The 2014 Manitoba Marathon on Fathers' Day SUN 15 JUN involved eighty-five (85) Amateur Radio operators & affiliates covering eighty-nine (89) positions and six local Amateur Radio organizations.

Organizations that allow use of systems or infrastructure or recruit Amateur volunteers were:

Winnipeg Amateur Radio Club (WARC)
 Winnipeg ARES
 Manitoba Repeater Society (MRS)
 University of Manitoba Amateur Radio Society (UMARS)
 Winnipeg Senior Citizens Radio Club (WSCRC)
 Pathfinders Amateur Radio Club (PARC).

Our volunteers were:

VA4s CAT, DON, VMM, MAC, JCH, IAM, AJG, RWT
 VE4s DBV, HK, PCB, QB, BOY, DAE, VZ, AFL, JDH, MHZ, GLS, SE, XYL, SBS, LYN, JLO, JBL, PH, PEH, MMG, ANF, JAL, RIC, PWN, TTH, YYL, NQ, HQ, TSY, CEL, GZ, JAH, GWB, HAY, AJO, GIS, BN, UK, MAQ, MWH, DJS, RST, AND, CZK, EH, HAZ, STS, ESX, ACX, EIH, CDM, JNF, NCH, GWN, KAZ, WTF, MAB, EAR, QV, SCH, SYM, TRO, DWG, ALW, RDO, GKS, DLA, VB, JS, SIG, EA, MBQ
 Ian Boughton, Mary Perchaluk, Max Perchaluk, Betty Pettapiece, and Gail Lamoureux.

The 24 JUN Winnipeg ARES General Meeting was a good de-brief opportunity. Manitoba Marathon leadership was provided with the detailed ARES Report as were all of our volunteers in late JUN and the detailed report was posted on the WARC web-site:

[http://winnipegarc.org/
 Amateur_Radio_2014_MB_Marathon_Report.pdf](http://winnipegarc.org/Amateur_Radio_2014_MB_Marathon_Report.pdf)

Thanks to all our Amateur Operators & affiliated volunteers!

Mark you calendars for next year's Marathon !
 Sunday, June 21, 2015 !!

Manitoba Repeater Society

The Manitoba Repeater Society operates and maintains a linked repeater system across southern Manitoba, including Winnipeg.

If you are a user of any of these repeaters, we urge you to support the group by becoming a member.

Remember to Renew for 2014
(Memberships expired December 31)

VE4MAN - Starbuck, VE4CDN - Morris,
VE4PLP - Portage, VE4MRS - Bruxelles,
VE4GIM - Gimli, VE4MIL - Milner Ridge
VE4EMB - Hadashville, VE4FAL - Falcon Lake,
VE4WPG - Winnipeg, VE4VJ - Winnipeg, VE4WRS
- Autopatch & IRLP link Winnipeg

Links to repeaters in Ontario, Brandon, Selkirk
and soon to be the Dauphin & area.
info@mb-repeater-society.ca

Manitoba Repeater Society - Updates **By, Ellis VE4AJO**

First the problems we are experiencing with VE4VJ and the UHF link radios at the Richardson Building site are in the process of being resolved. What occurred was Industry Canada found we were generating spur out of our UHF band interfering with commercial customers. Of course we shut down all UHF activity as soon as we were notified. We found VE4VJ clean and are running it only connected to VE4WPG. The 3 Links (to GIM, MIL, MAN) are disabled until we construct better band-pass duplexers for these 3 radios. Materials are on hand just time is the constraint. We are making progress.

VE4MAN power supply failed over this past Saturday (23) night Sunday morning. It may have been a storm related surge. We will service this the Saturday coming. We have a damaged link antenna at this site as well.

At VE4FAL Falcon Lake the link antennae are in bad shape and are on the replace list. Re-establishing the link to Milner Ridge repeater and Falcon Lake to Kenora is also in progress.

4

For those of us who travel west Portage VE4PLP and VE4MRS are operational. If you copy CW the Portage repeater identifies as VE4PLP not No ID since repairing the Palomar Controller in July.

This has been a busy summer thus far for the Manitoba Repeater Society and will continue until freeze up.

VE4AJO

BSC 8 On the Move **By David VE4DAR**

WARC's Chief Instructor, Vera VA4VMM, reports, "BSC 8 is on the move..." on the move from the Winnipeg Seniors to Shaftesbury High School in Charlewood.

When planning for a fall course began, dates for renovation at the Seniors were uncertain requiring the search for another classroom.

Shaftesbury HS is a great location for the Basic Short Course. Our first course at SHS was held in February 2013. Two science teachers, Rob VE4SHS and Adrian VA4AMD, already involved in weather balloon satellite launches and the Telebridge project, encourage and assist students in becoming hams. Modern classrooms with built in digital systems have room for 30 (not 18) students. BSC students can be shown working ham stations and Telebridge. Five spaces were reserved for SHS students.

Classes run 4 Saturdays beginning September 27 at 0900 hours. Students are required to preregister and to memorize 3 items before classes begin: Canadian call sign prefixes, Q-codes, and the International Phonetic Alphabet.

Course information can be found on WARC's website: winnipegarc.org

Manitoba Heavy Summer Rain Event

Jeff Dovyak VE4MBQ

A/SEC Manitoba ARES

ve4mbq at rac.ca

Heavy rainfall accompanied by strong winds in Western and Southern Manitoba impacted a number of municipalities necessitating local action, States of Local Emergency (SoLEs), and deployment of some Provincial resources in support.

- Impacts were greatest in but not limited to Western/Southwestern Manitoba where municipalities, roads (both provincial and municipal), and agricultural operations have been affected.

- A number of Provincial park campgrounds were affected by flooding.

Eventually a provincial SoLE was declared for very specific areas.

Beyond trying to maintain Situational Awareness (SA) there was no actual ARES operations at any municipal or the provincial level. The first Manitoba EMO SITREP was issued 29 JUN and the last SITREP was issued 21 JUL. As Acting SEC (and a participant of the Manitoba EMO Interagency Emergency Preparedness Committee) I received each SITREPs and shared with Manitoba ARES Executive and the VE4EMO Team (I had asked VE4EMO Team members to log into WebEOC periodically both to maintain SA and ensure that they had continued access to WebEOC).

WebEOC is the emergency management software package used in the provincial EOC and an increasing number of municipal EOCs. VE4EMO team members have personalized access allowing them to log into WebEOC in the ECC-ARES position.

ARES ECs were asked 04 JUL to poll their members over the weekend and report how many were available for deployment to other districts in case of a provincial request. Essentially only four ARES members came forward:

Andrew Johnson VE4APJ

Garry Frankel VE4VD

Kent Haase VE4KEH

Derek Hay VE4HAY.

As already mentioned, there were no municipal or provincial taskings for ARES so there were no deployments at all. One scenario that was considered was establishment of an Amateur Station as a back-up in the temporary provincial Command Post that was established in a particular community – the local ARES group indicated that while they could establish the sta-

tion if requested only 1 member was available to be on stand-by to staff in case regular communications failed and only available for about a week since inter-provincial travel was booked. Fortunately Manitoba EMO declined when I inquired as SEC if they wanted an Amateur Station established as a back-up. Andrew, Garry, Kent & Derek were advised 17 JUL that operations had begun to wind-down and that they could go back to enjoying their summer.

WARC Flea Market

The WARC Flea Market is scheduled for Sunday, October 19, at our favourite location, Heritage Victoria Community Club, 950 Sturgeon Road.

Exciting news! We have a brand new team in charge of Ruth's Kitchen. They have promised out of this world, delicious coffee and muffins for our dining pleasure. Why not drop by and try them out?

Is your better half bugging you about all that stuff cluttering up your hamshack? Do you want to downsize a bit, and make a few bucks? Would you like to make a new ham happy, by selling some of those radios you really don't use any more? If the answer to all those questions is YES, YES, YES, then get hold of Ruth VE4XYL, ve4se@mymts.net, or 204-837-6915 to book your table. Tables are only \$5.00 each for members of WARC, and \$10.00 for everyone else.

Are you waiting for that QSL card from that rare DX-pedition? Adam VE4SN, the QSL Bureau Manager for Manitoba will be there with a briefcase filled with cards. Adam would appreciate if everyone stops by his booth, to pick up their cards, and to pick up cards for any of your friends who cannot be there.

Winnipeg ARES will have their always popular Silent Auction, with lots of fabulous prizes. WARC will have a table, to accept your annual dues. MRS will have a table with some goodies for sale, and test equipment to check out your ham radios. The D-STAR group will also have a table, to answer all your questions about D-STAR.

Doors open for coffee, muffins, and enjoying eyeball QSO's with all your friends at 9:30. Vendor setup begins at 9:45 am. The stampede of buyers starts at 10:30 am. Prize draws will be from 11:30 am. Everything should wrap up by noon.

Sooooo, mark your calendars, I-pads, computers, tablets, and other recording devices for Sunday, October 19, for the WARC Flea Market

*2014 RAC AGM
Concluded*

On the heels of the 2014 Pacific Northwest DX Convention hosted by the Orca DX and Contest Club held in New Westminster BC this past week-end, the RAC AGM took place on July 27th.

Once again this year, RAC held a simulcast Webinar making it possible for anyone across the world to participate in the AGM via the convenience of their computer or smartphone. Voting capabilities through the Webinar was also made available.

RAC would like to thank everyone who helped make the AGM another successful event and in particular those involved with the logistics for the Webinar. RAC's Hounourary Legal Counsel Marcel Mongeon, VA3DDD moderated the online proceeding and we would be remiss not to thank him for his assistance. Bill Gipps, VE7ISV/VE7XS Regional Director for BC/ Yukon (and others) also provided valuable help from the actual AGM venue in New Westminster BC.

The venue was made possible by the Orca DX and Contest Club and RAC wishes to reiterate it's appreciation for this opportunity.

The proceedings can be heard through the archived Webinar recording here:

<https://attendee.gotowebinar.com/recording/6290409736681938946>

RAC President Geoff Bawden, VE4BAW, made the announcement that next year's AGM was being planned to be held in Saskatchewan.

*From Your Midwest Director
Derek VE4HAY*

Board meeting Highlights

- Virtual Office - there is nothing being done in our existing office that could not be done in remote locations.
- Website Development. The contractor is working on getting the data downloaded. Redundancies have to be cleaned up.
- Good feedback on the AGM in Vancouver. Some concerns were that the information was not made available to those who were participating in the meeting on the Webinar.
- Yukon trip - People were impressed with the attendance of President Bawden. We have strong advocates in that region and should be cultivated continuously. Good positive feedback was received for the most part of the trip. A tentative date for a trip to Edmonton would be the 3rd Wednesday of September so as to participate in a BBQ there.
- Reminder that the 2015 RAC AGM will be held in Martensville just north of the Saskatoon airport.

Score Summary:

	CW	Digital	Phone	Total
Total QSOs	665	0	384	
Total Points	1330	0	384	1714

Claimed Score = 3,428

The idea to work with WARC and conduct a joint 2014 Field Day originated with the newly formed Contest Group, Radiosport Manitoba (RSM). Several members recalled the serious fun Field Days of past, from their youth,

WARC is known for staging an amazing Field Day complete with equipment, meals and great membership turnout. When Jim, VE4SIG was appointed Field Day chair, it ensured that the club would have an organized and efficient event much like in past years when Rolf, VE4VZ and his predecessors looked after the planning.

The Reno, NV couple, Jack (W6NF/VE4SNA) and Shelley (K7MKL) were in town and available to assist with planning, operating and equipment loans.

I shared the news of RSM's participation with Jerry, VE6TL of Calgary. Jerry is a DX Contest Teammate

with several members. He has headed the Calgary Amateur Radio Club (CARA) Field Day for the previous several years. He was impressed with the renewed enthusiasm in Winnipeg and was looking for a change.

Both Jack and Jerry's guidance and assistance before and during Field Day were wonderful. Jerry also made a well attended pre-Field Day presentation on Solar Propagation to the RSM group.

What would Field Day be without the threat of storms and rainy weather? We operated three low-power stations for most of the event period. Mother Nature didn't let us down.

During the night the tent and with it the 40m operating position got blown away. Jerry and his equipment got drenched. For the future, we should try to find a fixed shelter for each of the stations we plan to operate.

Thanks go to Dick, VE4HK and his antenna crew as well as David VE4DAR for his information booth. Leor, VE4DXR also gets recognition for bringing out a non-ham and working with her until she completed the necessary 20 QSOs for bonus points. Leor also helped us make solar QSOs.

Both WARC and RSM are grateful to Jim VE4SIG for the many hours he contributed as the 2014 Field Day chair-person. Jim's words to me afterwards were, "...next year, will be even better!...."

Thanks go to the many members who brought equipment and to Rolf VE4VZ for looking after food arrangements. I apologize to anyone I may have omitted or forgotten.

73, Cary VE4EA

DOGGIE WASH

Saturday, September 13, 2014 1:00 pm to 4:00 pm
Pet Valu on Reenders Drive

Please take a look at the Dog Wash poster included with this Newscaster. The wonderful people at Pet Valu Reenders and Friends Fundraising for Animal Shelters are holding a dog wash, to pay expenses for a mobile veterinarian to travel to the Peguis reserve. The vet will be spaying and neutering as many dogs as she can in two days. I strongly feel this is a worthwhile cause.

This is an excellent deal to get your dog all cleaned up for fall. I've been told that most places charge about \$50.00 for dog washing. FFAS charges only \$12.00 per dog. Do you have multiple dogs in your house? Bring 3 dogs, and pay only \$10.00 each. You can get your pet's nails clipped as well, for only \$10.00 per dog.

I will be there throughout the day, washing dogs and getting soaking wet. There is no extra charge for friendly insults thrown my way.

If you have a dog, please bring it out to Pet Valu Reenders on Saturday, September 13, to support a very worthwhile cause!

Dick Maguire VE4HK - Head Dogwasher

VHF Nets

**MRS Nets - 147.390 Mhz +
Sundays & Thursdays at 9:00 pm**
This net covers Winnipeg and the MRS linked repeater system, and includes various announcements on amateur radio activities, plus Dick's "Swap and Shop"
